

'There is no 'I' in TEAM'

.....

▶ TEAM BUILDING

Teamworking is as important for the participants in a team as it is for the team leader. This workshop is for the members of a team and looks at how to move from an individual perspective to a team perspective.

WHAT WILL IT COVER?

This is a highly participative and interactive workshop. Participants will work through a variety of team-related activities. After each activity the team will review their performance and conduct a team-health check.

The workshop will cover such areas as:

- What makes the perfect team?
- Team formation
- The stages of team development
- Understanding team roles
- Handling conflict within teams
- Strength in difference
- Improving interpersonal communication
- Coping with team politics

COURSE DURATION:

1 DAY

NUMBER OF PARTICIPANTS:

6 - 20

WHO IS IT FOR?

- It is ideal for any employees who work together as a team
- It is a useful workshop for a newly formed team
- It is an excellent workshop for an existing team who are experiencing difficulties in working together
- It is perfect for any individual who has to work constructively with his/her colleagues to get the job done
